

ASBESTOS DISEASES SOCIETY OF AUSTRALIA WALK FOR RESEARCH AND AWARENESS Dunsborough to Perth 2013

In 2012 the ADSA held the first walk to raise money for medical research in asbestos disease.

A dedicated group of volunteers made the 2012 Walk from Kalgoorlie to Perth a huge success with \$75,000.00 raised for medical research.

Many thanks to all the 2012 walkers, sponsors and volunteers for making the Walk such a success (see photo above of our Walkers on approach to the ADSA Office at the end of the Walk)
